Introduction

Rephrase Topic:	Drug abuse is becoming increasingly serious in many nations. Although drugs threaten many societies, their effects can also be combated successfully.
Address task:	This essay looks at some of the <u>problems</u> caused by drug use on society, and suggests some <u>solutions</u> to reduce the effects.

Paragraph 2: Problems

Topic Sentence	Drug abuse causes multiple problems for countries and communities.
Medical effects	The medical effects are very obvious.
Medical Explanation	Addicts abuse their bodies and neglect their health and, and so eventually require expensive treatment or hospitalization.
Example	In some cases, such as Marilyn Monroe, a drug overdose even leads to death.
Crime	The second effect is crime.
Crime Explanation	People who take drugs become crazy and irrational and often cause harm and danger to themselves and others.

Paragraph 3: Solutions

Topic Sentence	However, the menace of drugs can be fought.
Education	Education is the main way to tackle this issue.
Education Explanation	People need to be aware of the effects so that they can avoid this problem. Children need to be told at home and in school about the dangers and need for avoiding drugs. The government could also use infomercials to educate their citizens.
Police Explanation	A second approach is to increase police manpower and powers to stop dealers and to enforce the law.

Conclusion

Topic Sentence	In conclusion,
Summary of essay: problem: solution	Drug abuse is a serious issue because it causes harmful effects on people's health and people who are high often commit crimes. The best approaches to deal with it are to educate the public about its effects and also to give the police more power to fight drug related crimes.
Opinion/ recommendation	Although the problem is unlikely to be entirely eliminated in the short term there are concrete steps to reduce the effects it is having on the current society.

Final Essay

Drug abuse is becoming increasingly serious in many nations. Although drugs threaten many societies, their effects can also be combated successfully. This essay looks at some of the problems caused by drug use on society, and suggests some solutions to the problems.

Drug abuse causes multiple problems for countries and communities. The medical effects are very obvious. Addicts abuse their bodies and neglect their health and, and so eventually require expensive treatment or hospitalization. In some cases, such as Marilyn Monroe, a drug overdose even leads to death. The second effect is crime. People who take drugs become crazy and irrational and often cause harm and danger to themselves and others.

However, the menace of drugs can be fought. Education is the main way to tackle this issue. People need to be aware of the effects so that they can avoid this problem. Children need to be told at home and in school about the dangers and need for avoiding drugs. The government could also use infomercials to educate their citizens. A second approach is to increase police manpower and powers to stop dealers and to enforce the law.

In conclusion, drug abuse is a serious issue because it causes harmful effects on people's health and people who are high often commit crimes. The best approaches to deal with it are to educate the public about its effects and also to give the police more power to fight drug related crimes. Although the problem is unlikely to be entirely eliminated in the short term there are concrete steps to reduce the effects it is having on the current society.
